CEIA3'S STRATEGY

CEIA3
BRINGING THE KNOWLEDGE TO THE
AGRI FOOD SECTOR

WHO WE ARE

The Agrifood Campus of International Excellence ceiA3 is a joint initiative between the universities of Almería, Cadiz, Cordoba, Huelva and Jaen, with IFAPA and CSIC as associated centres. ceiA3 promotes the transfer of innovation through the generation of R&D projects that reinforce the collaboration between SMEs and universities in the field of the bioeconomy, particularly with the focus on circular economy. As one of the main ceiA3 strategic sectors, bioeconomy confers a greater specialization to ceiA3 research groups, consolidating scientific excellence and, at the same time, promoting industrial leadership of agrifood industries.

+ THAN 3000 RESEARCHERS

STRATEGIC AREAS

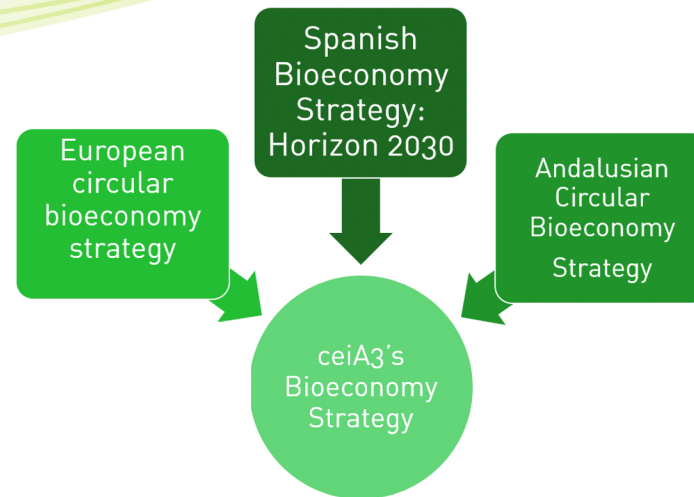

- Training
- Research, Innovation and Knowledge Transfer
- Interplay between territory and society
- Internationalisation

Campus of International Excellence: A government initiative to bring together University-Sector through Specialization, Excellence and Strategic Alliance

BIOECONOMY STRATEGY

OBJECTIVES

- Alignment with regional, national and European policies
- Highlight the excellence research and innovation performed by ceiA3's universities and associated centers part of ceiA3 at European and national level.
- Strengthening and promoting training and qualification of researchers and students, as well as the employability of graduate students from ceiA3's universities
- Fostering and boosting knowledge transfer and dissemination to society.

TRANSVERSAL BIOECONOMY

POLICY ALIGNMENT

- Involvement in the Andalusian Circular Bioeconomy Strategy
- Members of the National Observatory
- European Circular Bioeconomy Strategy
- ceiA3 office in Brussels

R&D

- ceiA3's Bioeconomy research groups
- Link between university and agents of the private sector
- Involvement in different projects: H2020; EIP-AGRI; Operational Groups
- Member of international networks, such as ERRIN, EUVRIN or INNOVAGRO
- EIP-AGRI Focus Groups

TRAINING AND EMPLOYABILITY

- Academic offer:
- Undergraduate Programmes
 - Masters Degree
 - PhD Programmes
- Research Project Grants:
- TN Courses
 - Lecturers in MA related to the agrifood sector
 - Thesis - Business
 - A3BT!
 - PhD - Business

DISSEMINATION

- Organization of seminars and events
- Communication:
 - social media
 - press releases
- Calls for ceiA3's events
